EXPERIENCE

Hyliacom, Valencia— *Internship*

Mar 2026 - Jun 2026

During my apprenticeship at Hyliacom, I worked on real client projects in a professional development environment. I actively participated in team meetings and collaborated with developers and designers.

I gained hands-on experience with widely used technologies including **PHP**, **Dart**, **Python**, and **SQL** and Frameworks like **Flutter** applying them to build dynamic websites and mobile apps.

MCB Express, Valencia— *Internship*

Mar 2025 - May 2025

During my internship, I contributed to the development and maintenance of websites while gaining hands-on experience with **PHP**, **JavaScript**, **SQL**, and **WordPress**. I collaborated on implementing new features, optimizing databases, and customizing WordPress themes, which allowed me to strengthen my technical skills and better understand real-world project workflows.
